UNOPIU'

Fast Shipping Products are available to ship from Clima Home Warehouses within 2 working days.

Freight to your address will be calculated based on your needs, please request a quote with customer service, if needed.

**To place an order:**

- Select your main product from the stock list
- Select and add your fabric option for the cushion cover where applicable (will ship separately)
- Request a freight quote if needed

Please note cushion covers will ship separately from Italy via express courier (based on your color selection) and will arrive at your address without added charges.

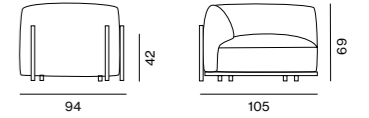

They might arrive separately from the main product.
